I am please to write this letter of recommendation for Andrew Travis in reference to his work at Lake Louise Christian Camp and retreat Center. I served as the Executive Director of LLCC from July 2012 until my recent retirement on August 1, 2015. During that time it was my privilege to supervise Andy in his capacity as lifeguard on our waterfront staff and this past summer as our waterfront director.

Andy came to the Lake Louise staff after having attended the camp as a camper for three summers. His love for Lake Louise transferred easily over to his responsibilities on our staff. Andy was always willing to do whatever work was needed and do it well. He has served on our maintenance staff, and as a summer intern this past summer creating social media outreach for our program. This was in addition to his responsibilities as our head lifeguard. Whatever his responsibilities, Andy 's work was always top quality. He is creative, artistic, reliable and trustworthy. Andy related well to the campers while maintaining high standards for safety and performance at the waterfront at all times.

Andy Travis is a bright and responsible young professional who will be an asset to any organization fortunate enough to hire him. He comes with my highest and unreserved recommendation.

Sincerely,

Rev. David G. Gladstone

LLCC Executive Director (retired)
